'Now that everyone is required to have health insurance or face penalties, it's very important that people enroll during Open Enrollment' explains Norma Napoli, Interim Executive Director for CKF-IN. 'These events are a great place to get free help from navigators who can help you and your whole family sign up for coverage', continues Napoli. 'If you signed up for a plan during the first Open Enrollment period, it's important for you to be sure your plan is still right for you. There are new plans available during this Open Enrollment period that may be cheaper than your current plan. Navigators available at these events can provide free and accurate information to help you make the right plan choice', concludes Napoli.

Open Enrollment Super Saturdays are presented by the Covering Kids & Families of Northeast Indiana (CKF-NEIN) Coalition, including: CANI (Community Action of Northeast Indiana), Neighborhood Health Clinics, Volunteer Center, 211, Parkview Health, Anthem, MDwise, and Ambetter from MHS.
