### CANI HOSTS “GET COVERED” EVENT

The flu season is fast approaching. Dealing with seasonal illnesses can be costly for families who are uninsured. **CANI (Community Action of Northeast Indiana, Inc.)** is holding a **Get Covered** event in Kosciusko County to offer assistance.

#### **Get Covered** event

**Tuesday, November 4** from **4:00 – 7:00 pm**

**K21 Health Services Pavilion** at 1515 Provident Dr. in **Warsaw, IN**

Licensed Indiana Navigators will be present to offer free information about affordable health insurance options and assistance enrolling children in Hoosier Healthwise. CANI is offering dinner to all families who complete an application. Prizes and children’s activities will also be available. Walk-ins will be accepted, but pre-registration is encouraged by emailing [corinnakrider@canihelp.org](mailto:corinnakrider@canihelp.org) or calling (574)372-3548.

Get Covered events in Kosciusko County are presented by CANI’s Covering Kids & Families program and funded in part by a grant from the US Department of Health and Human Services, Centers for Medicare & Medicaid Services. CANI is partnering with local schools and other organizations to ensure that 100% of children in Kosciusko County have affordable health insurance.

CANI helps communities, families, and individuals remove the causes and conditions of poverty. Covering Kids and Families (CKF) offers assistance to local residents applying for health insurance programs.
