## Re: Starter Village "Greyfield" Development

Dear Mr. Hoffman:

The City of Fort Wayne acknowledges that you intend to develop an affordable (48) unit multi-family housing development, targeting entrepreneurs who may have home based businesses, to be known as Starter Village, located at 800 West Rudisill Boulevard in Fort Wayne.

The City of Fort Wayne acknowledges that the redevelopment of the vacant college dormitory buildings into an affordable multi-family housing project will assist in stabilizing this neighborhood.

This proposed redevelopment project would be a welcomed asset in this neighborhood.

Very truly yours,
