

OUR HEALING KITCHEN

This fun cooking course will equip you with skills to include tasty fruits and vegetables into your daily diet. You will also learn other healthy eating and living fundamentals. The goal is to decrease chronic diseases and put our families, neighbors, and church friends on the road to vibrant health. Become part of the Healthy Eating Active Living (HEAL) revolution happening in our community!

WHY TAKE THIS COURSE?

- Learn to cook healthy food that tastes good
- Develop friendships at the shared table
- Take home new recipes
- The journey to better health begins with you!

These classes are free and open to the public!
